1. Emergency grants and interest free loans.
2. Annual grants to support low-income families in crisis.

***All amounts over \$2 to JWF are tax-deductible***

## NEW PROPERTY FUND \$40,000++

In November 2022 the NLC Board lodged a submission with The Department of Planning, Lands and Heritage (DPLH) for a portion of land adjoining Fremantle Christian College. This land is part of the Roe 8 (West) and 9 Corridor that is in the planning stage of being rezoned.

In anticipation of God's provision, the Board has established a property fund where money designated for this purpose can be kept separate until required. Giving to the property fund is an investment in future generations.
